ARTICLE 8

UNION DUES AND REPRESENTATION FEES

- I. GENERAL TERMS
 - A. The parties recognize that the proper negotiation and administration of a Collective Bargaining Agreement and the fulfillment by the Union of its statutory duty of representation entail expenses, which are appropriately shared by all employees who are the beneficiaries of such Agreements. As a condition of employment, each employee, on or before the 60th day after the effective date of this Agreement and, thereafter, on or before the 30th day after the start of employment, whichever is later, and monthly thereafter, shall tender to the Union either periodic and uniformly required membership dues or, in the alternative, representation fees as certified by the Graduate Employees Union.

- B. During the term of this Agreement, the Employer will deduct current Union dues or representation fees from the salary of each employee who authorizes such deduction by using a mutually agreed upon payroll deduction authorization form/membership card provided by the Union. New individual orders submitted to the Employer's payroll office on or before the last calendar day for each month will be effective for deductions from the first paycheck in the following month.
- C. The Employer (appointing unit) shall within fifteen (15) calendar days following the offer of an appointment, or the start of the employment period, whichever is later, inform each new employee of his/her obligations under this article and will provide a payroll deduction authorization form/membership card. Such payroll deduction authorization form/membership card shall be provided to the Employer by the Union. The payroll deduction authorization form/membership card will be provided to all new employees with their appointment forms, and thereafter will be available to all employees through their department, unit, and/or from the Union.
- D. The Employer will deduct Union dues or representation fees on a monthly basis.
- E. The amount or rate of the deductions shall be certified to the Employer in writing by the Union's financial officer. The Employer shall implement any changes in the certified deduction amount as soon as possible, but in no case later than sixty (60) days after notification by the Union.
- F. The Employer will remit all deductions to the Union for each month that dues or fees were deducted within twenty (20) days after the payday covering the pay period of the deduction. At the same time, the Employer will provide the Union with a list of all employees from whose pay dues or fees have been deducted. This list shall be alphabetical and contain the name of the employee, the MSU-Net ID of the employee, the amount deducted from each employee's pay and whether this amount represents dues or fees unless doing so violates law, in which case information shall be anonymous. This list will be provided by the Employer in a mutually agreed format. The Union shall provide the Employer with a Dues and Representation Fee Discrepancy Report listing under-deductions within twenty (20) working days following the receipt of the sums and the lists of names described above. The Employer shall review the Dues and Representation Fee Discrepancy Report and make all appropriate adjustments to payroll deductions as early as feasible, but no later than the second subsequent payday. In cases where a deduction is made that duplicates a payment already made to the Union by an employee, or where a deduction is not in conformity with the dues and fee structure of the Union, refunds to the employee shall be made by the Union.
- G. Dues and fees shall be calculated over the entire employment period.

- H. When an employee who has a payroll deduction authorization form/membership card on file with the Employer Payroll Office, or for whom automatic deduction has been authorized under Section III, ceases to be in the bargaining unit, the dues and fees deduction under this Agreement shall cease unless the employee resumes employment in the bargaining unit.
- I. The Union shall protect and save harmless the Employer from any and all claims, demands, suits and other forms of liability by reason of action taken or not taken by the Employer for the purpose of complying with this Article.
- J. If an employee has tendered directly to the Union his/her membership dues or the representation fee, or has a written authorization in effect requiring the deduction of dues or representation fees, the employee shall not under any circumstance risk the loss of job because of a lack of good standing in the Union. The Union cannot cause the discharge of an employee who has resigned from or has been expelled by the Union for any reason other than his/her failure to tender the dues or representation fees to the Union.

II. UNION MEMBERSHIP DUES

If the employee desires to join the GEU, the employee shall complete the payroll deduction authorization/membership card and submit it to the Union office.

III. REPRESENTATION FEES

- A. If the employee does not desire to join the GEU, the employee shall complete the payroll deduction authorization/membership card for representation fees and submit it to the Union office.
- B. As a condition of employment, an employee(s) represented by the Union who does not make application for membership in accordance with section II shall tender to the Union a representation fee in the amount as certified by the Graduate Employees Union. This amount shall not exceed the membership dues of the Union.
- C. The Union shall make reasonable efforts to provide written notice to all non-members of the amount of the representation fee, an explanation of the basis for the fee, and certification that said fee includes only those amounts legally assessed by the Union.
- D. In the event the non-member does not complete a payroll deduction authorization form/membership card, or does not tender representation fees within thirty (30) calendar days from the start of the employment period:
 - 1. The Union shall notify the employee by certified mail explaining that the employee is delinquent in tendering representation fees.

2. This notice will:

- State the amount of the delinquency;
- Warn the employee that he/she has 10 days to either pay the delinquent fees in full or agree on terms with the Union;
- State that if the employee fails to respond to such notice within ten (10) days, the Union shall request that the Office of Employee Relations authorize deduction of representation fees as provided in this Agreement.

E. If the representation fees are not paid, or arrangements for payment have not been made with the Union, the Union shall provide a copy of the letter sent to the employee and the following notice to the office of employee relations at the end of the ten (10) day period.

The Union certifies that name (s) has/have failed to tender the periodic and uniformly required Union representation fees required as a condition of continued employment under the Collective Bargaining Agreement and demands that the Office of Employee Relations authorize payroll deduction of such representation fees in accordance with the terms of this Agreement.

The Office of Employee Relations shall notify the payroll office and the Union within ten (10) working days that the Union is authorized to receive the delinquent representation fees from the employee through mandatory payroll deductions effective with the next payroll cycle. The Union shall notify payroll of the name (s) of the employee(s), and months for which representation fees are owed. The employer, upon proper written notice from the Union, will deduct the representation fee from the employee's wages and remit same to the Union pursuant to the conditions as specified in section D.

F. Should the provision for payroll deduction of the representation fee in paragraphs D. and E. above be found contrary to law, the parties agree to reinstate procedures for termination of employment for failure to pay Union representation fees (as outlined in the 2002-2005 agreement [article 8, section III]).

Such appointment letter shall also include the effective dates, salary, and, if known, teaching or work schedule and the employing unit representative to contact for information regarding the appointment and applicable benefits.

 - A. The Employer will make relevant employment information available on the Graduate School Web Site, which shall include employing unit contact name, telephone number and e-mail addresses, or employing unit web sites that include B, 1 and 2, below.
 - B. Employing units employing or anticipating the employment of teaching assistants will make information about all available openings, qualifications, and application procedures, including application due dates, for teaching assistantships available to graduate students. (The term "available openings" does not include those set aside for recruitment purposes.) However, employing units retain the right to select teaching assistants who satisfy their own specific requirements. Employing units will maintain posted information as follows:
 - 1. Information about procedures for applying for teaching assistantships including the name or location of an office where inquiries or applications may be made.

2. A listing of courses that typically have teaching assistants assigned or are expected to have teaching assistants assigned. This list will be updated to include other course opportunities that may become available. A separate list of Summer Semester course possibilities will be posted if applicable.

III. Re-Employment Notification

The Employer, through its employing units, will notify an employee of a decision to re-employ or not to re-employ as an employee:

The employing unit will, upon request, advise applicants as to whether they are in the pool.

ARTICLE 12
JOB SECURITY

I. Period of Employment and Termination

An employee shall be employed for a specific period of not less than one semester or for a special limited purpose. Employment for a “special limited purpose” is employment that covers unforeseen needs that arise during a semester that may be for less than one semester. In all cases, employment terminates at the end of the specific period as specified in the appointment letter or when the special limited purpose is completed or in any case when the employee fails to meet the following requirements at the University:

A. Fall and Spring Semesters:

1. Be in good standing according to University policy as a student in a master’s degree program and registered for not fewer than six (6) credit hours each semester, respectively, or
2. Be in good standing according to University policy as a student in a doctoral degree program and registered for not fewer than three (3) credit hours each semester, respectively.

B. Summer Semester:

Be in good standing according to University policy as a student in a graduate degree program and registered for not fewer than three (3) credit hours.

II. Notwithstanding the above, employees in the last semester of their graduate degree program shall enroll for a minimum of one (1) credit hour.

III. No academic matter regarding an employee’s role as a student provided for in Sections I, A, 1; I, A, 2; and I, B of this Article shall be subject to the Grievance and Arbitration Procedure.

IV. Procedure for Unsatisfactory Performance

When employment performance is unsatisfactory, the employment duties may be reduced and employment fraction and pay may be reduced correspondingly, or employment may be terminated. In cases of unsatisfactory employment performance, the matter will first be discussed with the employee prior to any action being taken. If the Employer determines that the existing situation can be corrected by the employee and is of such a nature that correction is appropriate, the employee

will be given not less than one calendar week from date of discussion to make the correction. A written summary of such a discussion will be available at the written request of the employee provided the request is received within forty-eight (48) hours of the discussion. When allowed by law, a copy of this summary will be provided to the Union.

V. Discipline

The parties recognize the authority of the Employer to suspend, discharge, or take other appropriate disciplinary action against employees for just cause. Discharge may result from an accumulation of minor infractions as well as for a single serious infraction. Whenever it is appropriate, the Employer shall give the employee advance notice of its intent to hold an investigatory interview. An employee shall be entitled to the presence of a Union Representative at an investigatory interview if he/she has reasonable grounds to believe that the interview may be used to support disciplinary action against him/her, and he/she requests representation. If any discipline is taken against an employee, the employee will receive a copy of the disciplinary action. In the event that an employee is discharged, the employee will receive a copy of the notice of discharge, including a summary of the reasons for the discharge. When allowed by law, the Union will be provided a copy of any notice of discharge. An employee may appeal a suspension or discharge beginning at Step Two of the Grievance Procedure.

VI. Appeals

If a determination results in a discharge or a reduction in fraction of employment and pay during the term of employment, a grievance may be submitted beginning at Step Two of the Grievance Procedure, provided the grievance is submitted in writing within the fifteen (15) calendar day period following notice of the discharge or reduction. In the event of an arbitration, if the Arbitrator does not find for the Employer, the Arbitrator may only make a finding of fact and award pay but not reinstatement. Such pay shall not exceed an amount that the employee would have earned from the date of discharge to the end of the term of employment.

ARTICLE 13

WORKLOAD

- I. Employee appointments shall average ten (10) hours (1/4 time), twenty (20) hours (1/2 time) or thirty (30) hours (3/4 time) per week over the length of a semester appointment. The specific number of hours in any week may vary from the average according to the needs of the employing unit. However, over the course of the semester appointment, the average number of hours worked per week shall not unreasonably exceed the above.

- II. At the outset of the appointment, and as questions arise during the appointment, supervisors shall discuss the work location(s), travel requirements, and scope and pattern of duties with the employees. GRIEVANCE PROCEDURE

I. Definition and Procedure

- A. A grievance is defined as, and limited to, a written complaint involving an alleged violation of a specific provision(s) of the Agreement and remedy sought. Grievances may be filed by either an employee(s) or the Union. The primary purpose of this procedure is to secure, at the lowest level possible, equitable solutions to the grievance(s). Grievances shall be processed as rapidly as practicable. The number of days indicated at each level shall be considered as maximum and substantive and every effort shall be made to expedite the grievance process. Time limits in the steps may be shortened or extended by mutual written agreement of both parties.
- B. Only one (1) issue shall be the subject of any one (1) grievance. If there is a disagreement on whether the grievance involves more than one (1) issue, the parties will attempt to resolve the dispute. If the dispute is not resolved, expedited arbitration will be invoked. A grievance shall contain a clear and concise statement of the grievance and indicate the issue involved, the relief sought, the date the alleged incident(s) or violation(s) which is/are the basis for the grievance took place and the specific section or sections of the Agreement involved. The grievance must be signed and dated by the employee(s) or Union representative, if any. Except as otherwise provided for in this Agreement, the grievance shall be presented at Step One to the employing unit designee. Any ambiguity in written grievances shall be clarified at the first grievance meeting.
- C. An employee(s) may choose to have a Union representative represent him/her at any step of the Grievance Procedure. If an employee(s) brings a written grievance to the employing unit's attention without first having notified the Union, the employing unit to which such grievance is brought shall promptly notify the Union and no further discussion shall be had on the matter until a Union representative has been given an opportunity to be present.
- D. Individual employees or groups of employees shall have the right to present grievances through Step Two of the Grievance Procedure, provided that a Union representative has been afforded the opportunity to be present at any discussions, and that any settlement reached is not inconsistent with the provisions of this Agreement.
- E. If the grievance is filed with Union representation, the Employer will provide copies of written decisions to the employee and the Union. If the grievance is filed without Union representation, the employee will be given an opportunity

either to release written decisions to the Union or to assert the confidentiality of the decision under the Family Educational Rights and Privacy Act (“FERPA”).

- F. Step One of the Grievance Procedure may be waived by mutual written agreement. In addition, where the same employing unit representative hears more than one (1) step of a grievance, those steps shall be consolidated.
- G. If the Employer requests that an aggrieved employee be present in any step of the Grievance Procedure, he/she will be required to do so, except in extenuating circumstances.

II. Grievance Steps

The following procedure shall be the sole and exclusive means for resolving grievances.

A. Informal Step

An employee or one designated member of a group of employees, having a complaint as defined in Section I A, may take the complaint up with the immediate supervisor or designee. If the complaint is not resolved a grievance may be filed at Step One. At the employee’s option, a Union representative may be present during any discussion with the supervisor or designee in an effort to resolve the complaint.

B. Step One

Except as otherwise provided below, all grievances must be presented promptly but no later than thirty (30) days from the date the grievant first became aware of, or should have become aware of with the exercise of reasonable diligence, the cause of such grievance. Grievances filed over hours of work disputes must be presented no later than thirty (30) days following the end of the semester in which the alleged violation occurred. The employing unit designee will meet the employee(s) and his/her representative, if any, within fifteen (15) days from receipt of the grievance and attempt to resolve the grievance. A written answer will be placed on the grievance by the employing unit designee not later than fifteen (15) days after the meeting.

C. Step Two

1. If the answer at Step One is unacceptable, to be considered further, the grievance must be appealed by the Union to the Provost or her/his designee within fifteen (15) days from receipt of the Step One answer. The Provost or her/his designee will meet with the employee(s) and his/her Union representative, if any, within fifteen (15) days from receipt of the appeal of Step One.

2. Following the meeting, the written answer of the Provost or her/his designee will be placed on the grievance not later than fifteen (15) days after the meeting.

D. Step Three

1. Grievances which have not been settled at Step Two of the Grievance Procedure may be appealed to arbitration within thirty (30) days from the date of the Step Two answer. If a grievance is not appealed to arbitration within thirty (30) days of the Step Two answer, it shall be considered settled on the basis of the Step Two answer without prejudice or precedent in the resolution of future grievances. The issue as stated in the grievance and any amendments made thereon, in writing, at the Step Two grievance meeting shall constitute the sole and entire subject matter to be heard by the Arbitrator, unless the parties agree to modify the scope of the hearing.
2. Following the written notice, the Employer and the Union shall attempt to select an arbitrator. If an arbitrator is not selected within five (5) days of the written notice, the Union, within the next ten (10) days, may request the Federal Mediation and Conciliation Service (FMCS) or the American Arbitration Association (AAA) to administer the process of selecting an arbitrator. The Arbitrator shall not be an employee of the University or of the Union, nor be a member nor employee of the Michigan Federation of Teachers and School Related Personnel or of the American Federation of Teachers.
 - (a) Either the Employer or the Union or both shall notify the Arbitrator of selection and upon acceptance shall forward to the Arbitrator a copy of the grievance, the answer at Step Two, the notice of intent to arbitrate and a copy of the Agreement. A copy of the communication, without a copy of the Agreement, shall be sent to the other party. If the Arbitrator does not accept selection, the selection process shall be repeated until an arbitrator has accepted selection.
 - (b) The Arbitrator shall fix the time and place for hearing the issue or issues submitted for decision.
 - (c) At the arbitration hearing, both the Employer and the Union shall have the right to examine and cross-examine witnesses.
 - (d) Upon request of either the Employer or the Union or both, a transcript of the hearing shall be made and furnished to the Arbitrator with the Employer and the Union having an opportunity to purchase their own copy. The party requesting the transcript shall bear the cost of the

Arbitrator's copy, unless it is mutually requested. In such case, the cost shall be shared equally.

- (e) At the close of the hearing, the Arbitrator shall afford the Employer and the Union a reasonable time period to submit post-hearing briefs if either party requests the opportunity.
- (f) The jurisdictional authority of the Arbitrator is defined as, and limited to, the determination of the grievance submitted to him/her consistent with this Agreement after consideration by him/her in accordance with this Agreement.
- (g) The Arbitrator shall have no authority to add to, subtract from, or otherwise modify any of the terms, clauses or provisions of this Agreement. The Arbitrator shall not substitute her/his judgment for that of the Employer where the Employer's judgment and actions are based upon reasonable cause and do not violate the written provisions of this Agreement. The Arbitrator shall have no authority in any circumstance to award back pay or any other monetary relief, which is greater than the grievant would have been entitled to if there had been no violation. The Arbitrator shall have no authority in academic matters regarding the grievant's role as a student.
- (h) The fees and expenses of the Arbitrator shall be shared equally between the Employer and the Union. The expenses of, and the compensation for, each and every witness/representative for either the Employer or the Union shall be paid by the party producing the witness/representative or on whose behalf he/she appears.
- (i) The Arbitrator shall render the decision in writing within thirty (30) calendar days following the hearing or the receipt of post-hearing briefs, whichever is later.
- (j) The Arbitrator's decision, when made in accordance with the Arbitrator's jurisdiction and authority established by this Agreement, shall be final and binding upon the Employer, the Union, and the employee or employees involved.
- (k) The provisions of this Section do not prohibit the Employer and the Union from mutually agreeing to expedited arbitration of a given grievance or grievances.

III. Time Limits on Appeal

- A. If the Employer fails to answer a grievance within the specified time limits, the grievance may be processed to the next step of the Grievance Procedure. If such grievance is not appealed within specified time limits, it shall be considered withdrawn.
- B. Any grievance not appealed within specified time limits shall be considered settled on the basis of the last answer and not subject to further review.
- C. A grievance may be withdrawn and, if so withdrawn, may not be reinstated, and no financial liabilities shall result.
- D. Where more than one grievance involves a similar issue, the additional grievances, by mutual agreement, may be held in abeyance without prejudice pending the disposition of an appeal to Step Three or arbitration of the representative grievance.
- E. The specified time limits at each step of the procedure may be extended by mutual written agreement of the parties involved at that step.
- F. Whenever time limits are used in this Article, they shall be understood to mean calendar days. The time limits shall be tolled during Winter break, Spring break, final exam weeks and University designated holidays. (This provision shall apply only to the Grievance Procedure.)

IV. Post-Grievance Employer-Employee Relationship

When the Employer schedules a meeting in accordance with the provisions of this Article, attendance at such a meeting by the employee and/or Union Representative shall not adversely affect their employment relationship.

ARTICLE 29

SCOPE OF THE AGREEMENT

- I. This Agreement represents the entire agreement between the Employer and the Union. This Agreement shall supercede and cancel all previous agreements, whether written or oral, prior to the date of ratification either established by the Employer or between the Employer, the Union or employees. Any agreement(s) that supplement this Agreement shall not be binding or effective unless reduced to writing and signed by the Employer and the Union. Such supplement(s) shall remain in effect for the term of the Agreement.
- II. No past practice, course of conduct, or understanding prior to the date of ratification which varies, waives, or modifies any of the express terms and conditions contained herein shall be binding upon the parties hereto unless made and executed in writing by the Employer and the Union.
- III. The Employer and the Union acknowledge that during the negotiations which resulted in this Agreement each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. No provision of this Agreement, or any supplement thereto, nor the right of either the Employer or the Union under the terms of the Agreement shall be changed or altered in any way unless such change or alteration is agreed to in writing between the Employer and the Union. Therefore, the Employer and the Union, for the life of this Agreement, each voluntarily waives the right, and agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this Agreement.

- IV. Any agreement reached between the Employer and the Union is binding upon all employees in the bargaining unit, the Employer and the Union, and may not be changed by any individual or group of employees, or the Employer or the Union.

- V. Should any part or provision of this Agreement be rendered or declared illegal or invalid by operation of law or by decision of any tribunal of competent jurisdiction or if compliance with or enforcement of any provision should be restrained by such tribunal pending a final determination as to its validity, the remaining part(s) or provision(s) of this Agreement shall not be affected thereby. In the event any provision herein contained is so rendered invalid, upon written request the Employer and the Union shall enter into collective bargaining for the purpose of negotiating a mutually satisfactory replacement for such provision.

Tuition Waiver

Upon the request of either the Union or the Employer during the term of this Agreement, representatives of the Union and the Employer will meet to review the GEU Tuition Waiver benefit in an effort to control both the cost to the Employer and the out-of-pocket costs to Teaching Assistants for required credits. The goal of such discussion is for the parties to identify, recommend and implement mutually beneficial improvements to the Tuition Waiver Benefit within two years of the commencement of discussions.

During the period of this agreement, beginning with the Fall 2011 semester through the completion of the Summer 2013 semester, the Employer will establish a pool of funds at the beginning of each academic year, which will cover one hundred (100) credits at the fall semester's tuition rate. This pool will be created for the express purpose of supplementing the tuition waiver benefit of those Teaching Assistants whose program requirements for any given semester exceed the current applicable maximum tuition waiver. Access to these funds will not extend beyond the summer 2013 semester except by mutual agreement of the parties.

Applications must be completed and submitted to the Graduate School according to the procedures outlined on the Graduate School website. Procedures for application and selection shall be mutually agreed upon by representatives of the Employer and the Union. Teaching Assistants who receive funds under this provision may be subject to a revision of their financial aid package.

This Letter of Agreement shall automatically expire on August 15, 2013.
